

DISCLAIMER

This is not an offer to sell nor solicitation of an offer to buy any security listed herein. Such offer may only be made by a written prospectus in a jurisdiction wherein the offering is duly registered or exempt therefrom. This content is provided for informational purposes only. Nothing herein shall be construed as tax, legal, or accounting advice. Investing in oil and gas is highly speculative and could result in substantial losses. There are no guarantees that any returns will be achieved. Potential investors should consult their attorney, accountant, and financial advisors before investing in oil and gas.
